Walking Toward Eternity (WTE) focuses on four major topics that are essential for living out the Christian life. WTE provides the students the opportunity to focus in on areas of their lives that need to change.

Each lesson includes meditation using Lectio Divina, a lecture, small group discussion, and a time of prayer before the Tabernacle or Adoration. Three questions are posed at the end of each lesson to help you discern the direction the Lord may be prompting you in your daily life.

Drawing from the Great Adventure, Walking Toward Eternity (WTE) focuses on four major topics that are essential for living out the Christian life. WTE provides the students the opportunity to hone in on areas of their lives that not only have to change but will have a dramatic impact on daily living. Each lesson includes meditation using Lectio Divina, a lecture, small group discussion, and a time of prayer before the Tabernacle or Adoration. Three questions are posed at the end of each lesson to help you discern the direction the Lord may be prompting you in your daily spiritual walk.
