To the Parents

This program is designed to complement the active, faithful religious practice and education that children should receive in the family which is the domestic Church. This full and active practice of the Catholic faith in the family involves weekly participation at Mass and a daily prayer life.

You are also strongly encouraged to engage your child in regular discussion of the topics addressed in the formal religious education process. It is a privilege for the catechists and religious education team to support your efforts to deepen in your children a love of Jesus Christ and to put into place a strong foundation of Catholic catechesis that will develop for a lifetime.

Feel free to call Mark Croteau, Director of Programs, 651.357.1337, with questions or concerns.

May God bless you in your role as primary catechist for your child.
