More information about participating...

- Whether you want to entertain, share your culinary abilities, or simply join in the fun as a guest, get ready to meet people and have fun!
- If you would prefer to attend with a friend, please indicate his/her name on your registration form.
- All participants, including hosts, pay the \$10 registration fee.
- **Interested in hosting or contributing dessert?** Please indicate your interest on your registration form, found on the other side of this page. Host homes will be assigned 2-3 weeks before the Progressive Dinner, based on the number of participants.
- If you are interested in hosting and have no preference of either hors d'oeuvres or dinner, please check both boxes. No one will be asked to host more than one portion of the evening.
- Please note that **dinner hosts will not be assigned an hors d'oeuvres host home to attend** so you can prepare for your guests. All Progressive Dinner participants will be invited to dessert.
- Hors d'oeuvres and dinner hosts will be able to submit a limited amount of receipts for costs to host the dinner. The amount will be determined after all registrations have been received, and hosts will be informed of this amount when they receive their confirmation call about hosting.
- We hope all those who volunteer to host will be able to host guests. However, host assignments will be based on the number of participants. All who volunteer to host will be called 2-3 weeks before the Progressive Dinner to let them know if they will be hosting or participating as a guest.
- Hosts can be located anywhere in the Twin Cities metro area. Geographic location will be taken into account as much as possible when assigning host homes for guests.
